Agenda:

1. Progress on research papers data and project data assigned in the earlier meeting.
2. Discussion on the zist of conference / symposium / seminars proceedings attended by Faculty members
3. Any other item with the permission of chair.

Meeting outcome:

At the outset Principal, ANITS and Convener of the committee have welcomed the members for the first meeting of the Academic year 2018-19. Discussions took place as per the Agenda in the meeting along with other items which are as follows:

1. Principal , Prof. T.V. Hanumantha Rao Congratulated all the faculty for their efforts during the past academic year, More than 150 publications were done by faculty in both National and International journals. He also appreciated the faculty for their increased zeal in applying for Research project. More that Rs. 5 crore worth projects to AICTE/SERB/FIST.

2. Prof. K. Siva Prasad of Mechanical pointed out that faculty must be given awareness about importance of publishing their research work in reputed journals. Updation in Google scholar must be made mandatory to have an idea of their citation index and H index.
3. Principal Prof. T.V. Hanumantha Rao informed that Librarian has all details about faculty citation index.
4. Principal further explained the need to have a pre-review before submission of research proposals as few of them are getting rejected and the reason is not specified by the agency.
5. Prof. K.S. Ranga Rao, Convener has explained the contributions made by Dr B. Somsekhar from ECE department. He has prepared a list of publications of all the faculty of Anits according to the norms indicated by inspecting agencies. It is also resolved that Dr Somsekhar may do the same on Research projects.
6. Principal further indicated that Department seminars circulars are to be sent to the central email address of anits- STAFF@anits.edu.in, so that faculty interested in interdisciplinary work can attend them.
7. Prof K.S. Ranga Rao has informed about nominating faculty and students for the forthcoming workshop by CEMS. Proceedings of the CEMS were shared by him with the members. CEMS (Centre of Excellence in Maritime & Ship building) in collaboration with IMU, Siemens, Designtech, Sagarmala and IRCLASS submitted a project proposal on the lines of CEMS; and this time theme being Competencies, Employability, Methodology and Skills (CEMS) - a one stop destination for emerging needs and it was sanctioned at a cost of RS.758 Crores. The project aims at giving hands-on training to students at all levels starting from ITI to M.Tech. One of the Centres is planned for Vizag, as it is appropriate with existing ENC, HSL, IMU and port city. It is still in planning stage and sometime this Aug/Sept a Workshop is also plan. After that things will be clear. It has been planned for, as it is on Maritime and ship building, for programmes starting from hull design to Robotics. All basic branches of Engineering will have a very good scope of better Employability once these training programmes are undergone by students. A very useful programme both for our students and faculty as well. More details after the workshop. We may try for arranging a lecture of two in our College in the near future.
8. Principal, Prof T. Hanumantha Rao has asked the members to come for the next meeting with data of student publications. He stressed that every M.Tech student project work should be published in reputed journals.
9. The meeting has concluded resolving to meet after two weeks , i.e., 17-08-2018 at 2.00pm.
