To give you a small brief about NEC:

We are a group of Counsellors who have invested and devoted lives to understanding the information and techniques for mentorship oriented counselling to students who dream of studying abroad for personal and professional gains. 15 long years we have counselled students in hundreds for various countries - mostly for Australia, UK, USA, and Canada; small percentage of students were counselled for countries like France, Germany, Italy, Ireland, and New Zealand! Vizag has always been a favourite place for us when it comes to counselling the students as the latter are always super curious about the best possible countries and the most value offering universities and programs.

Well! Talking of the trends, students presently are going crazy about UK, Canada and as it is the US is always one of the top priorities. There are several factors contributing to this trend. Precisely, this is what we intend sharing with your students to help them in better and productive decision making. We organise services for university short listing, course selection, admissions, and financials to make visa application and to visa launch and success. In addition, we also provide references for accommodation onshore. We maintain a very strong connect with our ex students; therefore, the current crop gain immensely through our services.

We request you for an opportunity to share our experiences with your students at any date of your choice and convenience. We assure you our very best!

Yours very truly,

V.PRASAD  
NEC CONSULTANT
