7. Mr. Vinay Kumar .V, III/IV IT Student, ANITS.

Agenda:

1. To discuss and address the grievances of the stakeholders
2. Any other item with the permission of the chair

Discussions and resolutions:

The grievance redressal committee which was formed for addressing the issues raised by the stakeholders like faculty, students, technicians, parents and staff met today in the conference room. The grievances that were raised by all the concerned were placed before the committee for its perusal.

The convener addressed the members and put up each grievance for discussion to evaluate their merit and resolving it thereof.

The resolutions taken are summarized as below:

Grievance: Extending the library timing in regular days and opening library on Sundays.

Resolution: The committee pondered over the issue of library timings in detail and felt that it would be a very sensible suggestion to the management to open the library on Sundays. This would immensely benefit the hostlers and day- scholars residing in the neighboring areas of the college. However, on the week-days, the library is kept open till 7 PM in the evening. No further extension is needed.

Grievance: Increase parking space for vehicles.

Resolution: the committee contemplated that this grievance has been long pending and requires immediate action. The team members decided to inform the management of this long-felt demand and therefore identify a suitable space for additional parking area.

Grievance: Provision of Wash basins in faculty rooms.

Resolution: it was observed by the committee members that wash basins are fixed only in a few faculty rooms. This provision has to be extended to all the faculty rooms depending on the feasibility.
