Anil Neerukonda Institute of Technology and Sciences has celebrated its 10th Year inception on 6th February, 2011 with glitz and grandeur. The Historical occasion was graced by eminent personalities like Dr. D. Purandeswari, Hon’ble Minister of State, HRD, Govt. of India, as Chief Guest, Shri. M. Venkayya Naidu, former Union Minister, Current Chairman, Standing Committee on Home Affairs, Prof. B. Satyanarayana, Hon’ble Vice Chancellor, Andhra University and Shri Y. Lakshmi Prasad, recipient of Padma Sri Award as Guests of Honour.

The event was presided over by Dr. Neerukonda B.R. Prasad, Chairman, ANITS, a Philanthropist NRI. The Decennial celebrations stood as a witness to showcase some of the great heights which were scaled by the institute in a very short span of time. The evening was formally inaugurated by lighting the lamp by Dr. D. Purandeswari. The event marked the unveiling of the Decennial Logo by Shri Y. Lakshmi Prasad and the release of the special issue of the College Magazine ‘ECHOES’ by Shri. M. Venkayya Naidu. The staff members who have been serving the institution since its inception were presented with tokens of appreciation on this occasion. Mr. N. Indra Kiran, Sr. Asst Professor Mechanical Engg, and Mr. M. James Stephen, Assoc. Prof., Dept. of IT received the “Best Teacher” awards for the academic year 2009-10. Gold Medals (22cts 10gms) to the toppers of all the branches of the 2006-10 batch and Merit awards/Cash Prizes to the toppers of the year end examinations were given away by the Chief Guest and other Guests of Honour.

Shri. V. Thapovardhan, Secy & Correspondent of ANITS welcomed the gathering and threw light on the genesis of the institute and gradual but steady progress of the institution and the various ranks and awards achieved by the institute. Speaking on the occasion, the chief guest urged the young students to take more interest in the research and bring laurels to the country. She stated that the central and state governments have more plans to fund the technical education of our country. Shri. M. Venkayya Naidu inspired the young ANITIANS by asking them to take part in all spheres of college life and not to miss the very goal of their life. Prof. Y. Lakshmi Prasad’s inspiring speech in Telugu was admired and appreciated by all. He has especially appreciated the Decennial...
Logo designed by Ms. Sindhu, III/IV, Bio-Technology. Prof. Beela Satyanarayana, VC, Andhra University informed students that they should give more importance to discipline, which is the beacon light of one’s career growth.

All the dignitaries were felicitated by the people who represented the four pillars of this institute i.e. the management, the faculty, the students and the Technical staff. The evening concluded with a grand display by the multi talented ANITIANS who entertained the crowd with various cultural events.

The Department of Electrical & Electronics Engineering, organized a two-day national level student technical symposium ARC-’10, for the fourth consecutive year during 27th - 28th December 2010. Sri B. Ramesh Prasad, Chief General Manager, APEPDCL has inaugurated the symposium on 27th December 2010 at 10.30 AM. And Sri B. Srinivasa Reddy, AGM (Electrical), RINL is the guest of honor. Around 200 students from various engineering colleges participated in the symposium. During the symposium several events like Technical Quiz, Trouble Shooting, Model Presentation, Ensemble, Rover Race, Documentary and Treasure hunt were also conducted along with Paper Presentation. Prof. V. S. R. K. Prasad, Principal, ANITS presided over the function. Prof. R. Govardhana Rao, Director, and Prof. G. Raja Rao, HOD, EEE addressed the gathering. Prof. G.V.K.R. Sastry, HOD, EEE, AU, Prof. V. Bapiraju Dept. of EEE, AU, Prof. K. Rama Sudha, HOD, EEE, AU Women’s College chaired the sessions on paper presentation.

IGNITION‘11 a National Level Technical Symposium was organized by the Department of Mechanical Engg, ANITS during 24th - 25th Feb, 2011. The event was inaugurated by the chief guest, Sri G.V.L.Satya Kumar, Deputy Chairman, Visakhapatnam Port Trust. Prof.K. Ramji, Andhra University college of Engg the Guest of Honour lighted the lamp and gave keynote Lecture on Nano Technology. Prof. V.S.R.K. Prasad, Principal, ANITS presided over the function. Prof. T.V. Hanumantha Rao, HOD, and the convener of the symposium informed that over 120 papers out of 650 were accepted. Four sessions were organized on different topics of Mechanical Engg.

More than 700 students from various Engineering colleges participated in the event. Apart from paper presentations, other events like poster presentations, technical quiz, Robotics-robo sweep, robo race, robo-war, documentaries, model presentations, contraptions and spot events were held. The best two papers from each session were given a cash prize of Rs. 2000/- and Rs.1000/- respectively. Prof. Pramila Devi, Mechanical dept., AUEC was the chief guest for the valedictory function.

Young ANITIANS from the Department of Information Technology won the overall championship and stood among the top 30 in “NIIT - Java Master Contest” organized by NIIT, Visakhapatnam on 8th Feb, 2011. The ANITS family congratulates them on their grand achievement and wishes them more success in their future endeavours.

Under the banner of “BLAZE” all the Biotechnology students paid special attention in visiting to orphanage on a special occasion i.e. on Feb 3rd with distribution of clothes, sweets and arranging for dinner.
**STAFF ACHIEVEMENTS**

- Ms. Ch. Sita Kameswari, Assoc. Professor, HOD, MCA has been awarded M.B.A(HR) from IGNOU in the month of June-2010.
- Mr.P.Kishore, Sr.Assoc. Professor, ECE stood university first in Pre Ph.D exam conducted by JNTU, Kakinada in January 2011.
- Prof. G. Raja Rao, HOD, EEE chaired a technical session in the National Technical Symposium, IIZA 2K11 organized by the Department of EEE, Chaitanya Engineering College on 21st February 2011.
- Ms. Rupa Vemuri, Assoc. Professor, HoD, Dept. of English and Humanities wrote a book titled “Verbal and Non-verbal Communication”, which was accepted by Centre for Distance Learning, GITAM University as one of the course modules for PG Diploma in Communication Skills (PGDCS) in 2010. She also Co-authored a book titled “Business Communication”, which was accepted by Centre for Distance Learning, GITAM University as one of the course modules for PG Diploma in Communication Skills (PGDCS) in 2010.
- Ms. Paromita Mukherjee Ojha, Asst.Professor, Dept. of English and Humanities secured First Class and topped the batch in Masters in Human Resource Management, 2010 from Andhra University.
- Prof.S.C.Satapathy, HOD, CSE chaired an IEEE Session at ICMLC 2011, Singapore
- Prof.S.C.Satapathy, HOD, CSE chaired a session in Springer Sponsored SEMCCO 2010 at SRM University, Chennai, and Dec 2010.

**WORKSHOPS/CONFERENCES/ SEMINARS ATTENDED BY FACULTY**

- Ms. T. Susan Salomi, Asst. Professor and Ms. P. Lavanya Kumari, Asst. Professor, MCA have attended a National level Workshop on “Data, Communications & Security” organized by the Department of Computer Science & Systems Engineering, College of Engineering(A), Andhra university, Visakhapatnam on 31st January 2011.
- Ms. Ch. Sita Kameswari, Assoc. Professor, HOD, MCA and Mr. Lazarus T. Prakash, Training and Placement Officer, ANITS attended Infosys Campus Connect meeting at Infosys Campus, Hyderabad on 18th Feb., 2011.
- Mr.B.Tirumula Rao, Assoc. Prof. and Mr.B.Ravi Kiran, Asst. Prof. CSE attended a two day workshop on “Advances in Signal & Image Processing” at JNTU, during 25th-26th Feb., 2011.
- Ms.K.PraveenaKumari, Ms.G.V.S.Nalini Kumari, Lab technicians, ECE, Mr. Y. Rama Koti and Mr. DVRKV. Sagar, Lab Technicians, EEE, participated in a two day National Workshop for Technicians on “Trouble Shooting and Maintenance of Electronic Equipment” approved by AICTE organized by Department of ECE, Vignan’s Institute of Information Technology during 11th-12th Dec 2010.
- Mr. K. Srawan Kumar and Mr. D.V.R.K.V. Sagar, Technicians, EEE attended a two-day workshop on “Maintenance & Service of Electrical Lab Equipment” at VIGNAN Engineering College during 13th - 14th Dec 2010
- Ms.P.Sailaja, Asst.Prof, Biotech attended a workshop on “Molecular simulation and chemoinformatics-approaches to new drug delivery” organized by Karunya University, Coimbatore, from 24th-26th Feb’11
- Ms. PV. Sireesha, Asst. Prof and Mr. R. Satish, Asst. Prof., EEE attended the Three day National Symposium on “Evolutionary Computing Techniques for Power Control & Drives” organized by Dept. of EEE, GITAM University during 22nd-24th January 2011.
- Ms. Paromita Mukherjee Ojha, Asst.Professor. and Ms. L. Kameswari, Asst.Professor. Dept. of English and Humanities attended a three day workshop conducted by Infosys in Hyderabad as a part of Campus Connect programme on Soft Skills from 20th-22nd December, 2010.
- Mr. P Venu Madhav, Asst. Professor. Dept. of English and Humanities attended “Discover the CAN factor in U” a one day faculty development program on skills for personal and professional effectiveness organized by Koneru Laxmiah University (KLU), Business School Klubs Vijayawada on 12th February, 2011.
- Mr. N.Venkatara Rao, Librarian attended 3 day workshop on “INDEST AICTE CONSORTIUM WORKSHOP & 8TH ANNUAL MEET” jointly organized by INDEST AICTE CONSORTIUM & IIT MADRAS from Feb18th-20th 2011 at IIT , Madras
- Mrs.K.S.Deepthi, Asst. Prof, CSE participated in a two day National Seminar on “Corporate e-Governance (e-COG-11)” conducted by Computer Society of India, during 26th-28th Feb, 2011.
- Mr. M. James Stephen, Assoc. Prof. and Mr. Ch. Demudu Naidu, Sr. Asst. Prof. IT attended a one day national workshop on “Data communications and security” organized by Department of CS&SE at Andhra University, Visakhapatnam on 31st Jan, 2011.
- Mr. B.Naga Raju, Associate Professor, N. Indra Kiran, Sr. Asst. Professor, V.Bindu Neelhariika, Asst. Professor, Ch.Aparna Devi Asst. Professor and V.Krishna Asst. Professor, all from Department of Mechanical Engineering attended a two day pre-conference workshop conducted by A.U on “Challenges in Micro and Nano Manufacturing: Indian Perspective in the Global Scenario” during December 11th -12th , 2010

**PAPER PUBLICATION BY STUDENTS**

- Ms. E. Vinod Kumar, Mr. L.V.V.R.K. Sri Harsha of 2006-10 batch, Dept. of IT, published a paper titled “PSO Clustering with Preprocessing of Data Using Artificial Immune System”, in International Journal of Computer and Information Science, Vol 4, N0.1, Jan 2011, pp.163-

**WORKSHOPS/SEMINARS ATTENDED BY STUDENTS**

- Mr. Subhrajit Bhattacharjee, III/IV IT, attended a two day workshop “Hackfest” organized by IIT Mumbai at Mumbai from 7th to 8th Jan, 2011.
- Mr. M. Santhi Prakash, III/IV IT, attended a two day workshop on “Robotics” organized by Raghu Engineering College, Vizianagaram from 22nd - 23rd Feb, 2011.
- Ms. M. Mani Manasa, Ms. J. Indira Priyadarshini and Ms. K. Sarada Devi of IV/IV IT attended a three day national seminar on “Corporate eGovernance” organized by CSI at Hotel Gateway, Visakhapatnam from 26th to 28th Feb, 2011.

Prof. S.C. Satapathy, HOD, CSE published 2 papers titled “Integrated PSO and DE for Data Clustering”, (pp.443-447) and “Function Optimization With Adaptive Differential Evolution Technique”, (pp.460-462) in IEEE 3rd International Conference on Machine Learning and Computing(ICMLC 2011), Singapore, Vol2, Feb 2011,

Prof. S.C. Satapathy, HOD, CSE published 2 papers titled “Fingerprint Image Enhancement With Neural Network And Effective Extraction Of Minutiae” (pp.301-305) and “Cat Swarm Optimization Based Neural Network And Particle Swarm Optimization Based Neural Network In Stock Rates Prediction” (pp.292-296) in IEEE 3rd International Conference on Machine Learning and Computing (ICMLC 2011), Singapore, vol4, Feb 2011,

Prof. S.C. Satapathy, HOD, CSE published 2 papers titled “A Software Tool for Data Clustering Using Particle Swarm Optimization” (pp.278-285) and “Effective Document Clustering with Particle Swarm Optimization” (pp.623-629) in Lecture Notes in Computer Science (LNCS 6466) Springer, Dec 2010,

Prof. S.C. Satapathy, HOD, CSE published a paper titled “Cat swarm Optimization for Optimizing Hybridized Smoothening Filter In Image Edge Enhancement” in International conf Systemics, Cybernetics and Informatics (ICSCI-2011), Jan 2011, pp. 247-252 and was adjudged as Best paper.

Mr. D. Appala Naidu, Mr. P. Vijay, Mr. P. King and Prof. V.S.R.K. Prasad published a paper titled “Biosorption of congrate from aqueous solution using guava (Psidium guajava) leaf folder, equilibrium and kinetic studies” in an IUP Journal of Chemical Engineering vol.2(1), 27-45, 2010

Mr. Ch. V. Subba Rao, Mr. G. Mallikarjun Rao, Mr. P. Venkateswaralu, Mr. C. Bhaskara Sharma, Prof. V.S.R.K. Prasad published a paper titled “Drag reduction by polymer additions in once through systems” in an International Journal thick Mechanics Research, Vol.37(5), 391-405, 2010

Mr. Ch. V. Subba Rao, Mr. G. Mallikarjun Rao, Mr. P. Venkateswaralu, Mr. C. Bhaskara Sharma, Prof. V.S.R.K. Prasad published a paper titled “Drag reduction by polymer additives in gravity driven flow” in an International Journal applied Engineering Research, Vol1(3), 452-468, 2010.

MICROSOFT QUIZ

The Microsoft Technology Quiz was conducted on 23rd December 2010 by ANITS IEEE Student Branch, ECE Dept. It was organized by Ms. K. Rani Poojitha Devi and Ms. M. Priyanka of III/IV ECE under the aegis of Prof. Prasad Gandikota, HOD, ECE Dept. and it was volunteered by Ms. K. Jyotsna Devi, Ms. A. Alekhy, Mr. M. Sreekanth and Mr. J. Sreekanth. Nearly 129 students from departments of ECE, CSE, IT, Mechanical and MCA participated in the written quiz. Dr. Prasad Gandikota, HOD, ECE opened the sealed question papers in front of the students and started the quiz. Ms. Ch. Uma and Mr. Kumar Naik invigilated the proceedings of the quiz.

Participation and merit certificates were distributed by the Head of department, ECE, Mr. Prasad Gandikota. The 1 position went to Mr. G. Anudeep from (III/IV CSE-A) who is qualified for the All India Final round. The 2nd and 3rd being Ms. J. Tanuja III/IV CSE-A and Ms. S. Sruhti Bhargavi of III/IV CSE-B respectively. Goodies from Microsoft and merit certificates were given to the top three rank holders.
Mr. M. James Stephen, Assoc. Prof, Dept. of IT presented a paper on “VLSI Architecture for Data Management in DSP Processor” at a National Conference on Communication Technologies (NCACT-2010) organized by Department of ECE, GITAM Institute of technology GITAM University, during Dec 3rd-4th, 2010.

Mr. P. Kishore, Sr. Asst Professor and Dr. Prasad Gandikota, Professor and Head, ECE presented a paper on “FPGA implementation of high speed crypto-system using AES algorithm” at a National Conference on Automation, Communication & Computing (NCACC-2010) organized by Department of Electronics and Instrumentation Engineering, GITAM Institute of Technology GITAM University sponsored by DST, New Delhi during December 9th-10th, 2010.

Mr. P. Kishore, Sr. Asst Professor, and Dr. Prasad Gandikota, Professor and Head, ECE presented a paper on “Design of High Speed Routers using RED algorithm” at an International Conference on Communication Computing & Security organized by Dept. of CSE, National Institute of Technology, Rourkela during Feb 12th-14th, 2011.

Mr. P. Kishore, Sr. Asst Prof, Mr. D. Anil Prasad, Asst. Prof. and Dr. Prasad Gandikota, Prof. and Head, ECE presented a paper on “Implementation of Dual-Core Power 5 Fine Grained Multithreaded Processor on Spartan-III FPGA” at an International Conference on Devices and Communication organized by Department Of ECE, BITS, Ranchi during Feb 24th-25th, 2011.

Prof. Ch. Suresh, HOD, IT presented a paper on “CAT Swarm Optimization based Neural Network and Particle Swarm Optimization based Neural Network in Stock rates prediction” in ICMLC International Conference on Machine Learning and Computing at Singapore, from 26th - 28th Feb, 2011.

The Campus Recruitment Process of 2011 witnessed young ANITIANS selected by top players of Indian industries. A total of 14 firms have so far tested our students. Infosys visited in the first slot and selected 126 students in November 2010 initiating another successful campus placement season followed by Persistent Technologies, L&T, Medha Servo Drives, Efftronics, Syntel Inc, HCL Infosystem, Schwing Stetter (India) Pvt Ltd. The average salary recorded in the campus this year is 3.08 Lacs per annum. A few more companies like Mphasis, United Health Group, Mahindra Satyam, SASKEN and Polaris are under the pipeline in the next few months. Indian Navy final interviews are under progress and results are awaited.

Total: 220
PAPERS PRESENTED BY STUDENTS

- P.S.Avinash, I.Yeswanth and Y.Chaitanya, III/IV CSE presented a paper on “Diamond Chip” at EKATHRA event, organized by Gayathri Vidya Parishad, in February 2011 and won the first prize.

- Ms. A.A.Saranya and Ms. H.P.Divya Krishna, III/IV CSE presented a paper on “Swarov Intelligence based Key Generation for Text Encryption in Cellular Networks” in EKATHRA competition organized by Gayathri Vidya Parishad, February 2011 and won the first prize.

- V.Nikhil Raj, PVV.Satyanarayana and PBalachandra, III/IV CSE won the First prize in “Codifique” event, in EKATHRA competition organized by Gayathri Vidya Parishad, February 2011.

- Ms.N.Ragini Devi and Ms.P.Sandhya, II/IV ECE presented a paper on “Solid and Demolition Waste Management” in a National Level Student Technical Symposium, GREENTECH 2011 organized by Department of Chemical, Mechanical & Civil Engineering, MVGR College of Engineering Vizianagaram and Andhra Pradesh Pollution Control Board, Regional Office, Vizianagaram during Jan 19th -20th, 2011 and won first prize.

- Mr.Ch.Varun, II/IV ECE presented a paper on “Stealth Technique for Air Navigation” in a national level student technical symposium, INTERACT-2K11 organized by Department of ECE, ANITS, Sangivalasa during Feb 19th -20th, 2011 and got second prize.

- Ms.M.Vinutha, II/IV ECE won second prize in the event UNMUTE(Idea Presentation) in a national level student technical symposium, INTERACT-2K11 organized by Department of ECE, ANITS, Sangivalasa during Feb 19th -20th, 2011.

- Ms.P.Tulasi Chowdany, II/IV ECE won first prize in the event of MOCK INTERVIEW in a national level student technical symposium, INTERACT-2K11 organized by Department of ECE, ANITS, Sangivalasa during Feb 19th -20th, 2011.

- Mr.V.Hemanth Kumar and Mr. B.Chakravarthy, IV/IV Biotechnology presented a paper on “sea weeds for monitoring heavy metal pollution” in Ripples’10 organised by Department of chemical engineering, A.U on Dec 15th-16th and won first prize.

- Ms. U.Priyanka and PSSS Susheera, III/IV Biotechnology presented a paper on “Gold nanoparticles in cancer treatment” in Ekathra 2011, organized by GVP College of engineering during 18th-19th Feb ‘10 and won first prize.

- Mr. NNV Krishna Teja, III/IV Biotechnology presented a paper on “Innate immune mechanisms on recognition and uptake of Candida species” in Bioflare’10 organised by Department of Biotechnology, ANITS during 27th-28th Dec ‘10 and won first prize.

- Ms. M. S. G. Nagamani and Ms. M. S. V. Kalyani, II/IV EEE presented a paper on “Modern Trends in Power Generation” in GITSSK11a national level symposium held by Gonna Institute of Information Technology & Sciences during 18th -19th February 2011 and won first prize.

- Ms. J.Priyanka, Ms. Ch.KrishnaVeneti and Ms. S.Veena Kusum, III/IV CSE presented a paper on “Concept of Embedding Secret Messages-Steganography” at ANITS, Visakhapatnam at CSI -2010, 1st AP STATE Regional Student Convention, on 11th December, 2010 and won First prize.

- Ms. S.Geetha and Ms. P.Niharika, II/IV CSE presented a paper on “Data Mining” at ANITS, Visakhapatnam at CSI -2010, 1st AP STATE Regional Student Convention, on 10th December, 2010 and won First prize.

- Mr. PVV.Satyanarayana, II/IV CSE presented a paper on “Nano-Technology” at ANITS, Visakhapatnam at BIOFLARE -2010, on 27th December, 2010 and won First prize.

- Ms. P. Swathi, Ms. N. Durganjani and Ms. Ch. Sruthi, IV/IV IT presented a paper on “Fingerprint Image Enhancement with Neural network and effective extraction of minutiae” in ICMLC International Conference on Machine Learning and Computing at Singapore, from 26th to 28th Feb, 2011.

STUDENT ACHIEVEMENTS

- Mr. A.R.Mujahid, II/IV CSE won Silver Medal in Karate, at the 2nd Asian Inter Continental Karate Championship, held at Visakhapatnam from Feb 10th -13th 2011.

- Mr. L.Kishore Kumar, II/III MCA won first prize in technical quiz and second prize in Debugging at ‘EKATHRA’ organized by GVP College of Engineering, Visakhapatnam during 17th - 19th Feb 2011.

- Mr. P.Vani,III/IV ECE secured first position in Essay Writing Competition (English) on “Education is manifestation of the perfection already in man” held at Ramakrishna Mission Ashrama, Visakhapatnam on 5th Jan 2011.

- Mr. J.Suresh Krishna, IV/IV Biotechnology won bronze medal in 25th National Taekwondo championship organized by International Taekwondo Federation in Warangal on Dec 25th.

- Mr. G. Srinivas Rami Reddy IV/IV EEE secured 94.8% in CAT and got interview calls from four IIM’s.

- Mr. R. Ramesh III/IV EEE won 6th prize in CSR Super Brain Essay Contest 2011 on Lessons Learnt from Commonwealth Games 2010 organized by Competitive Success Review (CSR) all over INDIA.

- Around 20 students from final year and pre final year EEE have presented models like wireless water boat, pick and move robot, remote controlled lamp, bidirectional speed control of DC motor, AC voltage controller, multilevel inverter at Academic Exhibition organized by ANDHRA UNIVERSITY during 12th – 16th February 2011.

- Mr. S.V. Rajesh and Mr. P. Mahendra Verma won first prize in Rover Race conducted during “Ekathra” at Gayathri Vidya Parishad College of Engineering from 17th to 19th February 2011.

- Ms. K. Kalyani, II/IV IT participated in “South Zone Inter- University Table Tennis (Women) Tournament” organized by Visvesvaraya Technological University , Belgaum, Karnataka from 17th - 19th Feb , 2011.

- Mr. K. Abhiram III/IV IT got 2367th rank (out of 40,000 participants) in “All India National Aptitude Test” conducted by NITAT, Visakhapatnam on 25th Feb, 2011.
ANITS-Warriors club of III/IV ECE won the overall championship trophy of the most coveted and publicized ‘The Hindu Eplus club Challenge-2011’ and a cash prize of Rs.10,000/- on Sunday, 23rd January 2011 held at Raghu Engineering College, Dakamari, Visakhapatnam. Union Minister of State for HRD, Dr. D.Purandeswari, who was the chief guest of the event, gave away the prizes to the winners. ANITS emerged as winner in a day-long competition where more than 20 engineering and degree colleges from the three coastal districts took part in. The ANITIANS excelled in all the competitions. Ms. K. Poojitha Rani Devi- First Prize Elocution, Ms. M.K Priyadarshini- Second Prize Elocution, Ms. K. Latha- First Prize Group Discussion, Ms. B. Sravya- Third Prize Group Discussion. The Members of the Quiz team won Second prize, Collage team won the Second Prize and consolation prize was bagged for Skit.

The Department of English and Humanities initiated the first Hindu Eplus club- ‘The Samurais’ in 2009 and two more clubs-Warriors and Challengers were added in 2010. Since then, the department has guided, trained, groomed and mentored the budding professionals with active encouragement from the management. The members were made to realize that they need to see themselves as winners first and then only they would be able to perform as winners. This became the guiding principle of the three clubs which inspired the teams in bringing the championship trophy to the college this year. The coordinaters of the clubs were Ms. Rupa Vemuri, Ms. V.R.P.U.Purnima, Ms. Paromita Mukherjee Ojha, Ms. G. Serwani, Ms. L. Kameswari and Mr. P. Venumadhav.

Bioflare’10 a National Level Technical Symposium was organized by the Department of Biotechnology, ANITS during 28th & 29th Dec, 2010. Chief guests, Dr. Parveen Kumar, Vice President of Krebs Biochemicals & Industries Ltd. and Guest of Honour Prof. T. Ramana, Head, Dept. of Biotechnology have inaugurated the symposium. Dr. Santosh K. Mishra, President, Kever Pharma Pvt Ltd has given a keynote Lecture on Drug Discovery. Prof. V.S.R.K. Prasad, Principal, ANITS presided over the function. Prof. G.H. Rao was the convener and Dr. V. Sridevi was the Organizing Secretary and informed that over 120 papers were accepted and seven sessions were organized on different topics of Biotechnology.

A two day workshop on “Southern Hybridization and its applications” was conducted by BLAZE, Department of Biotechnology, ANITS in collaboration with Helini Biomolecules, Chennai during 3rd-4rth Dec 10. Practical session on Southern Hybridization and two guest lectures on DNA finger printing, spot painting on “Gene Silencing” and Technical dumbsharads were arranged in the two day programme. A total of 70 students from III/IV and IV/IV Biotechnology were participated in the programme and certificates were distributed.
The Department of ECE conducted a National Level Student Technical Symposium (INTERACT-2K11) under the aegis of ACES (ANITS COMMUNICATION ENGINEERS SOCIETY) during 19th - 20th Feb 2011. It was inaugurated by the Chief Guest Shri P. Sridhar, Chairman & CEO, Xintechnologies, Visakhapatnam.

Dr. Prasad Gandikota, Convener, INTERACT-2K11 informed that out of 300 papers received only 85 good papers were selected. The participation was from more than 50 colleges across the country. The presentation of papers was divided into 09 sessions.

On this occasion a Hardware Project Exhibition covering areas of neural networks, Embedded systems, Communication and EMI/EMC, Speech and image processing and other areas, Bio metrics and pattern recognition, Nano technology and VLSI design Network security was conducted by Final Year ECE Students. At the valedictory function held on 20th February 2011 the Chief guest Shri A.S.V. Ramanan, D.G.M (Projects), HPCL, Visakhapatnam addressed the gathering.

Prof. V.S.R.K Prasad has successfully guided 3 PhD scholars who submitted their theses between Nov 2010 and Jan 2011

- Ms. S. Beena Lahari on “Biosorption of Copper and Zinc using chaetomorpha Antennina Sp. And Azadirachta Indica bark”
- Mr. B.V. Lakshmana Rao, on “Studies on ionic mass transformer through sub merged impinging jets in cylindrical cells in the presence and absence of solids”
- Mr. D. Appala Naidu on “Biosorption of lead, Nickel and Cadmium onto tectona grandis L.f. optimization using response surface Methodology (RSM)”

Quotation
Teaching is the profession that teaches all the other professions.
